A NEW ERA AT THE ENDOWMENT BOARD

The Endowment Board is fortunate to be served by employees whose dedication and longevity have helped shape our mission for over 135 years. The start of 2026 ushered in a new era of leadership at The Endowment Board, one focused on enhancing the exceptional service we provide to retired clergy and spouses.

Mr. Mark Ramorino with his wife, Patricia, son, Sam, daughter-in-law, Jenna, and their adorable grandchildren, Raymond, Paisley and Stella.

Dear Friends and Supporters,

It is both an honor and a privilege to write to you in my new role as Executive Director of The Endowment Board. Over the past eight years, I have been blessed to serve this organization as Treasurer, working alongside our dedicated Board of Trustees, our former Executive Director, Cory Parish, and our exceptional staff in advancing the mission entrusted to us. During that time, I have witnessed not only the impact of our work, but also the faithfulness and dedication of the people who make that work possible.

What inspires me most is our shared commitment to continue a legacy of faithful stewardship and service that has made a meaningful difference in the lives of those we serve. Through your generosity and dedication, The Endowment Board has provided for retired clergy and their spouses, supported vital ministries, and faithfully manages the resources entrusted to us for future generations. We continue this important work and will build upon the strong foundation established by those who have led before us.

On behalf of the Board and staff, thank you for your continued partnership, confidence, and prayers. Your support makes our mission possible, and I am excited about all that we will accomplish together in the years ahead.

With appreciation and blessings,

Mark Ramorino

A NOTE FROM BOARD PRESIDENT, MS. MARY POPISH

It is my privilege to continue as the President of The Endowment Board. Who wouldn't like a position whose sole purpose is to care for retired clergy and surviving spouses? These are the people who helped shape me and my family into the people we are today. I am blown away by the forethought of our founders who came up with a plan to take care of retired clergy long before retirement plans were a thing.

It is only because of their forethought and your continued support that we have been able to help fully fund the pre-82 retirement program, and provide assistance to pay for supplemental health insurance, medicine or other medical needs.

We are blessed by your confidence in our organization to maintain our resources with care and to assure they are being used in the manner you want. Our past Executive Directors have provided a steady hand to bring our organization to what it is today. I know Mark will continue that legacy and make sure we will continue for as long as we are needed.

Thank you for your support, your trust and your prayers as we continue to find ways to support our clergy and spouses who have sacrificed so much for us over the years.

Blessings,

Mary Popish

Ms. Jenny Copello, Director of Fund Development/ Board Secretary

Early this year, Ms. Jenny Copello was promoted to Director of Fund Development and began serving as our Board Secretary, marking a significant milestone in her ten years of dedicated service. In her expanded role, Ms. Copello will continue cultivating meaningful relationships with donors while elevating the Board's impact through events, communications, and stewardship initiatives. Her promotion was celebrated by our Board of Trustees, Senior Leadership, and our staff in recognition of her exceptional service, her thoughtful and attentive engagement with donors, and her generous collaboration with staff across the organization.

Mr. Ravi Sharma,
Treasurer

In February, Mr. Ravi Sharma joined the organization as Treasurer, contributing extensive financial expertise and a fresh perspective. Mr. Sharma comes to us after 13 years serving as Finance Manager for a local transit agency. In that role, he oversaw complex budgeting, financial planning, audits, and fiscal stewardship, while regularly presenting financial reports to both executive leadership and governing boards. His deep understanding of financial management, combined with his proven experience communicating clearly with board members and stakeholders, will serve our organization exceptionally well.

Together, these leadership and staff advancements strengthen the heart of our organization, ensuring that we continue to serve retired clergy and their spouses with compassion, excellence, and enduring commitment.

WELCOMING NEW BOARD MEMBER, MR. DAVID TROESCHER

Mr. David Troescher

Mr. Troescher is a retired financial consultant who spent 27 years with Charles Schwab & Co after 14 years in the life and health insurance and investment sales industry. He and his wife, Marcy, have been active in Carson City First UMC for 40 years, after attending UMCs in Kingsburg and Visalia, California. They have two children and five grandchildren, all of whom live in the Reno-Sparks area. Dave was President of his local Estate Planning Council and helped start the endowment at First UMC.

He's a certified Lay Speaker and served as Carson City's Lay Leader for 17 years. Mr. Troescher also spent 12 years on the Conference Episcopacy Committee and (along with board member Ms. Gayle Shearman) has been a member of our Western Jurisdictional and General Conference delegation since 2019. A recipient of a Bishop's Award for laity service, Mr. Troescher enjoys golf and other sports, and he and Marcy sing in the Chancel Choir. He is a graduate of the University of Southern California. We look forward to the leadership and expertise Mr. Troescher brings to The Endowment Board.

IMPACT IN ACTION

At our annual meeting on June 6th, 2026, our trustees approved a $2.3M grant to the Board of Pensions, an increase of $100,000 over last year's grant. This marks the second consecutive year of increased support, bringing the total increase over the past two years to $300,000.

As healthcare costs continue to rise, these additional funds help ensure that retired clergy and spouses have access to the benefits and care they depend on without the fear of financial hardship. "The Board recognizes the growing financial pressures retirees face," said Board President Mary Popish. "We are committed to being a faithful partner in supporting those who have devoted their lives to ministry and service."

The Board also approved a **$25,000** increase to its annual grant for the Retired Clergy Association (RCA), bringing the total annual support to **$161,000.** The RCA provides valuable opportunities for connection, communication, fellowship, and advocacy, helping retired clergy and spouses remain engaged and supported as they navigate this season of life.

HONORING SERVICE THROUGH MEANINGFUL SUPPORT

$2.3M CHECK

Mr. Mark Ramorino presents the $2.3M check to Board of Pensions Chief Benefits Officer, Mr. Paul Extrum-Fernandez, at the 178th Annual Conference Session on Friday, June 26, 2026.

"I give thanks to God for the faithful work of the Board of Pensions and The Endowment Board. Their care and commitment to retired clergy have been a true blessing in my life. Via the retired clergy and spouses health insurance plan, I've received exceptional care through Kaiser—without cost for doctor visits, labs, or even chemotherapy and radiation for my rare form of stage 4 lung cancer. **Recently, I began a targeted therapy drug that costs nearly $23,000 per month. Because of the coverage, I pay only $35.**

This life-prolonging treatment would have been out of reach without the support made possible by The Endowment Board's mission and ministry. Please know that your work is not only noticed, it is deeply appreciated. You are living out the Gospel in a way that brings healing, hope, and dignity to those of us in retirement."

-Retired Clergyperson

CONNECTION, SUPPORT, AND SPIRITUAL CARE THROUGH OUR GRANT TO THE RETIRED CLERGY ASSOCIATION:

- Serving over 827 retirees / spouses / surviving spouses
- Per diems to attend various conference events (Annual Conference Session, Gathering of Spiritual Leaders)
- Events that support social engagement, connectivity, and fellowship (i.e. the Annual RCA Luncheon)
- Connectional care outreach that ensures every retired clergy household receives a personal phone call each year
- Robust card ministry program that sends birthday and anniversary cards to retirees and spouses
- Printing of Memorial Booklet at Annual Conference Session
- United Methodist Volunteers-in-Mission (UMVIM) Trip funding
- Administrative fees vital to the leadership of the RCA
- Printing & distribution of the *Days of Grace* Newsletter

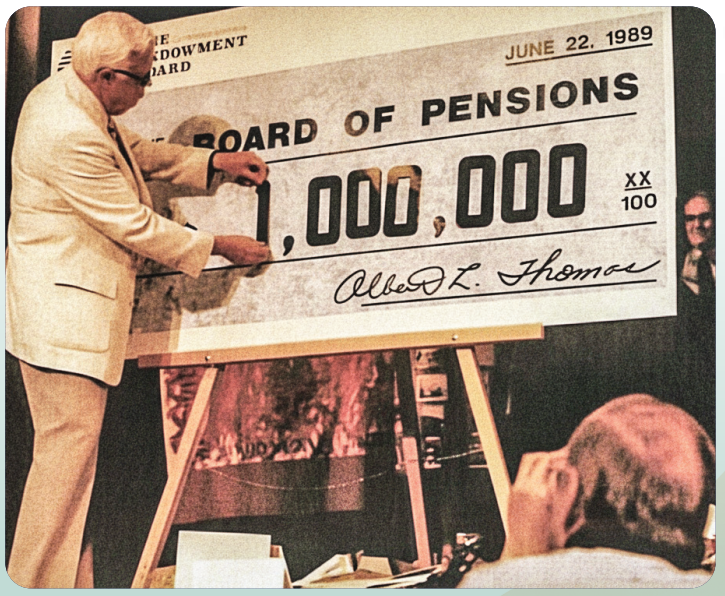
Each year, retired clergy, spouses, and scholarship recipients come together for the Retired Clergy Association's annual luncheon, a cherished tradition made possible by The Endowment Board's ongoing support.

HONORING ONE OF OUR OWN

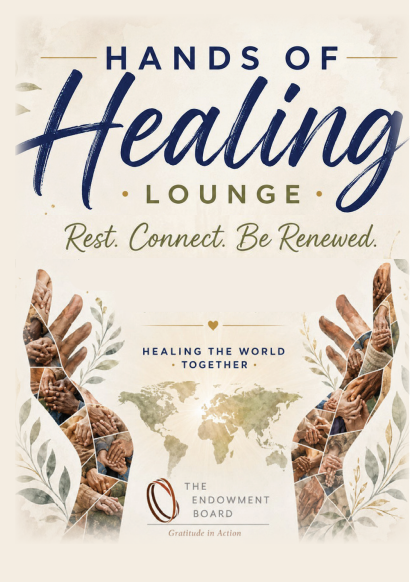
The Endowment Board recently honored the life and distinguished service of Rev. Bill McCord, who served as President of the Board of Trustees from 1986 to 1989. In keeping with a long-standing tradition, we recognize each past president at the time of their passing with a $500 memorial contribution.

During his tenure, Rev. McCord provided steady and visionary leadership, culminating in a historic milestone in 1989: the Board's first $1.0M annual grant to the Board of Pensions. This achievement significantly strengthened our enduring mission to provide long-term care and support for retired clergy and surviving spouses—an expression of ministry that reflected Rev. McCord's own deep commitment to those who devoted their lives to the Church.

This contribution reflects our profound gratitude for Rev. McCord's leadership and his posthumous influence on the Board's work. It is our hope that this gift will continue the ministry he championed—supporting spiritual growth, educational formation, and the ongoing well-being of future generations of retirees.



Rev. Bill McCord presents the $1.0M milestone check to the Board of Pensions at the 1989 Annual Conference Session.



THE HANDS OF HEALING LOUNGE

To bring our mission to life and give individuals an opportunity to encounter our work in a tangible way, the Board of Trustees approved funding to host a lounge at the 2026 Annual Conference Session. The Hands of Healing Lounge served as a welcoming space that provided clergy – both active and retired – and lay members with a place to pause, recharge, and connect during a busy weekend of worship, learning, and business.

The lounge also gave us a chance to share more about The Endowment Board's ministry and the ways donor generosity supports retired clergy, spouses, and Conference ministries.

We are grateful to everyone who visited the Hands of Healing Lounge and helped make it such a welcoming and vibrant gathering place. We are especially thankful for our donors, whose generosity makes support like this possible.

We were blessed by the opportunity to offer hospitality during Annual Conference Session and look forward to continuing this ministry of care in the years ahead.

MISSION-IN-MISSION PROJECTS - GRATITUDE IN MOTION

Enhancing Accessibility with Mobility Scooters

Each year, the Annual Conference Session brings together retirees, clergy, and leaders for worship, fellowship, and meaningful connection, often across a busy, walk heavy schedule. To help ensure everyone could fully engage in the weekend's activities, The Endowment Board once again sponsored mobility scooters for retirees and their spouses who requested them.

With scooters conveniently delivered onsite and available throughout the session, retired clergy were able to move about with ease, participating and reconnecting with colleagues without concern for physical strain or limitation.

This continued support reflects The Endowment Board's commitment to care, dignity, and inclusion for those who have faithfully served.

By removing practical barriers, we help ensure that every retiree can remain a part of their beloved church community.

UNITED METHODIST VOLUNTEERS IN MISSION (UMVIM) TRIPS– CAMP LODESTAR

Through our annual grant to the RCA, we provide financial support for UMVIM trips, helping make these special fellowship opportunities possible for retired clergy. However, our commitment extends beyond funding, as Endowment Board employees also volunteer on-site, working alongside fellow United Methodists, and simultaneously getting to know the people they serve.

In October 2025 and May 2026, The RCA and Endowment Board crews joined together for their continued work at Camp Lodestar in Wilseyville, California. The beloved property has touched the lives of countless United Methodist campers over the years and has undergone renovations and enhancements that began in 2024. Projects included painting, storm clean-up, plumbing, electrical, roof patching, exhaust fan replacement, and fire risk mitigation.

We look forward to continuing our partnership with the RCA on future UMVIM trips to Camp Lodestar and beyond, supporting meaningful mission work through both financial resources and hands-on service.

If you would like to join the next UMVIM trip, please contact Nancy Daley for more information at nancydaley@ca-nv-rca.org.

GATHERING OF SPIRITUAL LEADERS (GOSL)

In October 2025, the trustees of The Endowment Board funded $7,400 for retiree programming and accessibility at the 2026 Gathering of Spiritual Leaders.

The funding was used to purchase Auracast Bluetooth technology to amplify sound in hearing assistive devices as well as mobility scooters to assist retirees with the rolling terrain of Asilomar's beautiful grounds.

This sponsorship came in addition to the annual grant to the Retired Clergy Association, which funded per diems for over 40 retirees and their spouses to attend GOSL, as well as a complimentary clergy tax planning seminar hosted by Endowment Board president and CPA, Ms. Mary Popish.

Feedback from attendees was overwhelmingly positive, reflecting the impact of these efforts in honoring retired clergy and deepening engagement across generations of spiritual leadership.

> **"Thank you SO MUCH to the Board for providing these scooters. They were used and appreciated by several of our folks who would have had a difficult time navigating the rolling hills of Asilomar. The Endowment Board is SO SUPPORTIVE of our retired clergy and you got a rousing vote of appreciation. Thanks for all you do."**
>
> **-Rev. Clyde Vaughn**

Ms. Siteri Maravou

"Earlier this year, I enrolled in Norton LifeLock cyber and identity theft protection through The Endowment Board. Shortly after, I received a notification about some unusual credit activity. Upon investigation, I discovered that a credit card was opened in my name without my knowledge. To make matters worse, I soon received a call from the credit card company inquiring about two rifle purchases made in New York, while I was in California. I was stunned and immediately denied any involvement with that credit card or the purchases. They promptly canceled the transactions and the card, as it had been fraudulently obtained using my information.
I am extremely grateful for Norton LifeLock's support and highly recommend their services to all retired clergy and spouses! **Thank you!**"

– Siteri Maravou,
Endowment Board Trustee

EXPANDED NORTON LIFELOCK BENEFIT

NortonLifeLock™

At our 2026 annual meeting, the Board of Trustees approved an important enhancement to one of its retiree benefits: expanding Norton LifeLock cyber and identity theft protection coverage to include both retired clergy and their spouses; a benefit previously available to only one person per household.

As more aspects of daily life move online, the risk of identity theft, data breaches, and online fraud continues to grow. Recognizing these challenges, The Endowment Board took action to help provide greater peace of mind and security for those who have faithfully served the California-Nevada Annual Conference.

Norton LifeLock provides tools and monitoring services designed to help detect potential threats, alert users to suspicious activity, and support recovery efforts in the event of identity theft.

We are excited to announce that our Accounting Operations Specialist, Ms. Jessica Meissner, will begin serving as our key resource for the Norton LifeLock benefit program.

Ms. Jessica Meissner, Accounting Operations Specialist

Her strong technology background will help retirees and spouses navigate enrollment and support services with ease and confidence.

Eligible participants are encouraged to contact Ms. Meissner for assistance with enrollment and to receive program instructions.

Ms. Meissner can be reached at (209) 472-7288 -OR- Jessica@endowbd.org.

VALUE ALIGNMENT – WHAT FUND SPEAKS TO YOU?

When donors contribute to The Endowment Board, they can choose to direct their gift to a fund that best aligns with their personal values.

THE SHEPHERD FUND offsets costs for retired clergy and spouses in times of need. Asking for help can be difficult for those who have chosen a life of service and selflessness, but the hope is that those who qualify will see the fund as a blessing. The Shepherd Fund is confidentially administered by the Board of Pensions office.

THE PARISH WISE FUND was officially renamed at a special board meeting held in March 2026**.** This change was recommended and approved by the Board of Trustees as a heartfelt way to honor previous Executive Director, Mr. Cory Parish, and his 20.5 years of dedicated service to The Endowment Board. The new name reflects both his long-standing commitment to retired clergy and the impact of his leadership.

The **Parish WISE Fund** represents an important part of Cory's legacy—one that will continue to support the well-being of our retirees for years to come. In just its first year, the fund has already provided meaningful assistance to many in our retired clergy community, offering support for spiritual direction, continuing education, and other opportunities that nurture ongoing growth and spiritual renewal.

THE HEALTHCARE FUND is used to help fund the $2.3M annual grant to the Conference Board of Pensions. These funds help retirees cover the financial gap that emerges when Medicare falls short. Some of the funds are distributed via an HRA card that retirees and spouses can use to cover any medical expenses, including their Medicare Part B premiums.

THE AREA OF GREATEST NEED leaves the designation up to the discretion of The Endowment Board, and the highest priority at the time the gift is made.

If you are retired clergy and you are interested in accessing the Parish WISE Fund, please visit the RCA website, and download the application located in the "Events, Information & Forms" tab.

$11,000

In the first half of 2026, four Shepherd Fund grants were distributed for a total of $11,000. The funds helped offset costs for caregiving needs, new hearing aids, and extensive dental work.

$5,801

Over the last year, 13 Parish WISE Fund grants have been distributed for a total of $5,801.

Scan the QR Code below to visit the RCA website.

Rev. Donna Fado Ivery and Rev. Hubert Ivery

Hubert and I want to extend our heartfelt thanks to both the RCA and The Endowment Board for blessing us with a Parish WISE grant. Your support made it possible for us to attend the Faulkner for All Conference in the French Quarter of New Orleans this September. It was an extraordinary experience—wonderful, inspiring, and yes, very expensive! (And for the record, traveling anywhere is expensive when you're flying with Hubert's long legs!)

We felt especially grateful to attend because Donna's nonfiction manuscript, Angel Buddies: My Deep and Wild Dive into Shamanic Healing, was named a shortlisted finalist in the William Faulkner–William Wisdom Creative Writing Competition. This means it made it through four rounds of judging. Submissions this year came from all 50 states and 10–12 countries—WOW!

Our shared call to ministry continues to lead us down the path of writing and publishing as a way to contribute to healing and building community. The WISE Grant helped us deepen our understanding of the publishing world and how our work fits within it. Hubert also has a completed manuscript, Illuminating the Wisdom of Howard Thurman: Social Mystic and Healer, and the conference allowed both of us to meet with agents, publishers, and editors.

We thoroughly enjoyed the conference and the Awards Banquet. It was a whirlwind of Southern hospitality, rich storytelling, literary insight, and remarkable people. Thank you again for your generosity and support. It truly made a difference.

– Rev. Donna Fado Ivery and Rev. Hubert Ivery

Rev. Maggie McNaught

I am deeply grateful to The Endowment Board and the Parish WISE Fund for helping make it possible for me to pursue training in Reflective Pastoral Supervision. The $500 grant assisted me in completing an intensive program that included coursework, supervised practice, extensive reading, academic writing, and an internship supervising pastors within the California-Nevada Annual Conference.

This training has enriched my understanding of pastoral leadership and provided valuable tools for accompanying clergy as they navigate the challenges and opportunities of ministry. Reflective Pastoral Supervision creates a safe space for pastors to explore questions arising from their work, relationships, ethics, boundaries, and vocational expectations.

The program, which has roots in Methodist scholarship and practice in Great Britain, has strengthened my ability to listen deeply and support clergy in meaningful and constructive ways. As I continue serving in retirement, I am thankful for the opportunity to grow, learn, and share these skills with others.

The Endowment Board's investment in continuing education through the Parish WISE Fund allowed me to expand my ministry beyond retirement and continue supporting pastors as they serve their congregations and communities. **I am grateful for this encouragement and for the Board's commitment to the lifelong learning and spiritual growth of retired clergy.**

- Rev. Maggie McNaught

WAYS TO JOIN OUR MISSION — AT YOUR PACE, IN YOUR WAY

Supporting retired clergy and their families looks different for everyone, and that's exactly as it should be. Whether you're drawn to seasonal activities, meaningful tributes, or thoughtful future planning, there are many ways to join our story. Each option below offers a way to give that aligns with your comfort level, your season of life, and the impact you hope to make today and for years to come.

SIMPLE AND SEASONAL

The 2025 "Tree of Light" raised over $21,000.

ANNUAL TREE OF LIGHT

A straightforward and impactful way to support retired clergy needs at the close of the year. Ideal for donors who want to make an immediate difference with a one-time or recurring gift.

For every tribute donation made in December, an ornament featuring a personalized message from the donor will be added to a beautifully decorated tree in the lobby of The Endowment Board. A special acknowledgment will be sent to the person or family designated by the donor, letting them know about the thoughtful gift made in their honor. This meaningful gesture is a wonderful way to share light and love with someone special while also fulfilling year-end philanthropic goals. Letters will be mailed around Thanksgiving, so keep an eye out (and your heart open) for this opportunity to give.

MINISTER APPRECIATION MONTH (MAM)

A meaningful opportunity to honor clergy who have made a difference in your life while supporting the ongoing care of retired ministers. October is "Minister Appreciation Month." In partnership with the CA-NV Conference, we are encouraging tribute donations in honor of or in memory of your favorite pastor(s) as a small form of recognition for their sacrificial dedication to their calling. Whether your pastor is active or retired, consider making a gift in their honor or memory to The Endowment Board or your local church this October.

THE ENDOWMENT BOARD
Gratitude in Action

SWEETEN THE HOLIDAY SEASON WITH SEE'S CANDY

A joyful, seasonal way to give and get—perfect for those who enjoy supporting the mission through familiar traditions and shared moments with family and friends. For every box of See's candy purchased through our online storefront, up to 50% comes back to The Endowment Board. This sweet opportunity is available at Christmas and Easter, and orders can be placed through a link on our website.

Rev. Anne Choy poses with her Plant with Purpose seeds

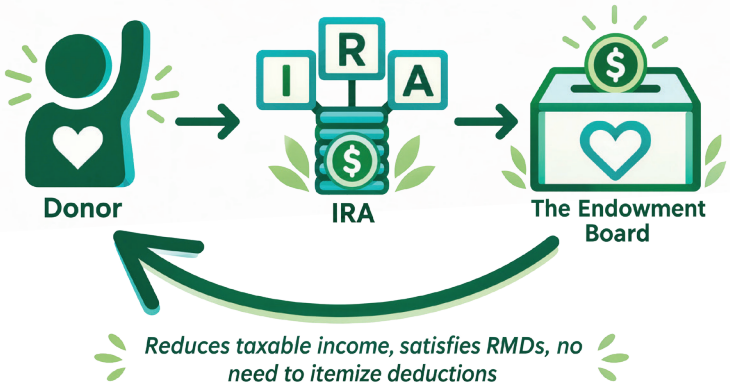
PLANT WITH PURPOSE

Spring planting season provides a unique opportunity to support The Endowment Board's mission while designing the summer garden of your dreams. Through our Plant with Purpose fundraiser, you can purchase bulbs, seeds, herbs, and other garden essentials through an online storefront while helping retired clergy and their spouses thrive in retirement. Up to 50% of each purchase directly benefits The Endowment Board. Ordering opens in February 2027, and can be placed via a link on our website.

QUALIFIED CHARITABLE DISTRIBUTIONS (QCDS)

For donors age 70½ and older, giving directly from a traditional or rollover IRA is a tax-efficient way to support retired clergy while meeting annual required minimum distributions (RMDs). This is a great way to make your year-end contribution to our Tree of Light campaign.

For 2026, you may make QCDs of up to $111,000 directly from your IRA to a charity like The Endowment Board.



TAX BENEFITS

- Reduces your Adjusted Gross Income (AGI), which can lower your overall tax liability.
- May reduce the taxable portion of your Social Security benefits.
- Helps avoid the "stealth taxes" triggered by higher AGI, such as increased Medicare premiums.

Most financial advisors are familiar with QCDs and can help you initiate the process. It's a simple, impactful way to support the causes you care about, while making the most of your retirement assets.

CREATE YOUR LEGACY WITH US AND BE A PERMANENT PART OF OUR STORY OF GRATITUDE IN ACTION

Legacy giving, also known as planned giving or deferred giving, allows you to achieve your personal, financial, and philanthropic goals, and make a larger gift to a charity than you could make from ordinary income.

Naming The Endowment Board in Your Will

A simple bequest, often just a few words, allows donors to leave a lasting expression of gratitude and care, without affecting current finances.

Naming The Endowment Board as a Beneficiary of Retirement Assets

An easy update to beneficiary designations that can have a significant future impact, especially for donors who value thoughtful, planned stewardship.

By completing a simple beneficiary designation form, you may choose to leave a portion—or all—of an IRA, 401(k), 403(b), or other qualified retirement plan to The Endowment Board, while continuing to use those assets during your lifetime. Retirement assets can be subject to significant income taxes when passed to heirs, whereas charitable beneficiaries typically receive them tax-free. Naming The Endowment Board as a beneficiary is one of the simplest ways to create a lasting legacy, often requiring no changes to a will or trust.

Including The Endowment Board in Your Obituary

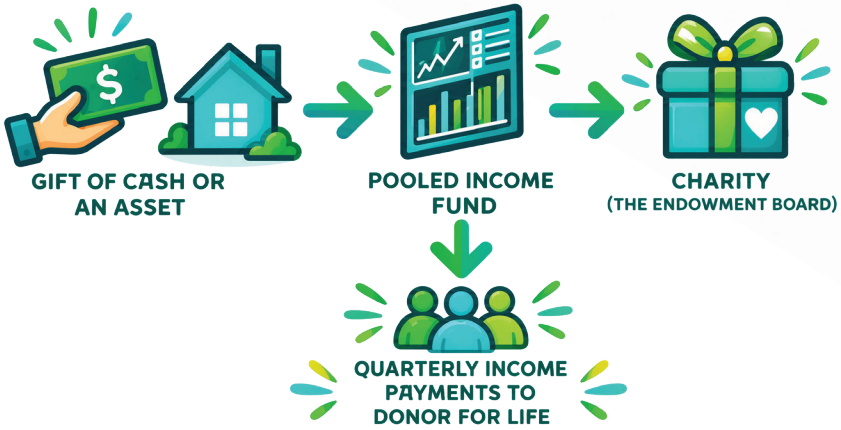
For some, legacy is about testimony. Being named in an obituary offers a public witness to the values you hold dear. In 2021, Mrs. Helen Long's obituary inspired $10,850 in gifts to The Endowment Board through memorial donations made in her memory at her request.

POOLED INCOME FUND

The Endowment Board's Pooled Income Fund (PIF) is a separate charitable trust fund managed by estate planning attorneys. When people generously contribute to our PIF, they receive immediate tax and income benefits for life.

The PIF works like this:

- Contributions are pooled with those of other donors and invested in our fund
- Income is paid quarterly based on interest in the fund
- Upon passing, the remaining funds will go to help further our mission.



Over the past three years, our Pooled Income Fund achieved an average annualized return of 6.71%*, providing consistent income distributions to our participants.

**Numbers vary depending on the performance of the fund.*

We would be happy to prepare a personalized Pooled Income Fund illustration tailored to your charitable and financial goals. To explore different gift scenarios, please contact Jenny Copello at Jenny@endowbd.org -OR- (209) 390-0989.

Before making a planned gift, we encourage you to consult with your legal, tax, estate planning, financial, or investment advisor to ensure that your charitable intentions align with your personal circumstances and goals.

We are also pleased to recommend Mr. Michael Hobson, a trusted advisor to The Endowment Board. Mr. Hobson is an attorney and Certified Specialist in Estate Planning, Trust, and Probate Law. He currently manages our Pooled Income Fund, and he and his late father, Mr. Bob Hobson, have assisted The Endowment Board and our donors for more than 30 years.

Mr. Hobson may be reached at (415) 981-5100 or michael@hobsonandhobson.com.

CONGRATULATIONS TO THE 2026 RETIREES!
